2 June 2025

Dear GB News,

We refer to our letter of 1 May 2025 in relation to GB News' recent promotions of Marks & Spencer on your television and radio channels and on your website.

We have not received any response from you. Although we understand you have now ceased re-broadcasting the segment on M&S's spring clothing collection, it is important that you explain the circumstances in which that segment was repeatedly broadcast.

In the event that we do not hear from you by **4pm on Monday 9 June 2025**, Good Law Project and Stop Funding Hate will make their concerns known to the Competition and Markets Authority and will share their concerns with their supporters. You should treat this letter, and our letter of 1 May 2025, as a right of reply letter in relation to Good Law Project's and Stop Funding Hate's intended publications.

We look forward to hearing from you.

Yours faithfully

*Good Law Project*
